

ARTKRYA

COMPLEMENTARY PRODUCT PORTFOLIO

Tableware · objects · textiles

Premium selection for hospitality, restaurants,
residential and professional spaces.

ARTKRYA

OUR VISION

Detail is not an extra.
It makes a space memorable.

ARTKRYA brings together objects with presence,
materiality and function — selected to complete coherent,
sensory and lasting projects.

FORM · MATERIAL · USE

A curated selection, not an undifferentiated catalogue.

We combine product families to create complete environments, respecting each project's identity, budget and use.

CERAMICS	TEXTILES	METAL	GLASS	OBJECTS
Table · serving · decoration	Table · bed · bath	Flatware · service	Glassware · carafes · stemware	Accessories · ambience

The selection is adapted to each context: collection pieces, customised solutions or bespoke development.

ARTKRYA

AUTHOR-DESIGNED PROFESSIONAL TABLEWARE

Distinctive design. Professional performance.

Complete families of plates, bowls and serving pieces, designed to combine expression, ergonomics, stackability and collection continuity.

FINE DINING · HOSPITALITY · CONTEMPORARY RESTAURANTS

TEXTILES

Material you can see and feel.

Table, bed and bath linen selected for fibre, touch, drape and finish.

- 01 Linen, cotton and natural blends
- 02 Colours and dimensions tailored to the project
- 03 Details, monograms and bespoke making

ARTKRYA

FLATWARE AND SERVICE

Precision in the hand. Elegance at the table.

Contemporary collections and serving pieces
where ergonomics, balance and finish matter
as much as design.

POLISHED · BRUSHED · PVD FINISHES

GLASS AND CRYSTAL

Transparency, lightness and proportion.

Glasses, stemware, carafes and decorative pieces selected for optical quality, feel and appropriate durability.

TABLE · BAR · GUESTROOM · SOCIAL SPACES

ARTKRYA

OBJECTS AND ACCESSORIES

Pieces that bring rhythm and scale to a space.

Vases, centrepieces, trays, candlesticks and accessories that connect the table with the interior architecture.

CURATION · COHERENCE · MATERIALITY

PROJECT APPLICATION

One common language, from table to space.

HOSPITALITY

Guestrooms, suites, breakfast, bar and common areas.

RESTAURANTS

Table, service, bar and pieces developed with the chef.

RESIDENTIAL

Coordinated collections for living, hosting and gifting.

PROFESSIONAL

Objects, corporate gifts and representative spaces.

OUR METHOD

Less fragmentation. Greater coherence between concept, product and delivery.

01 **Briefing**

Use, language, quantities, budget and schedule.

02 **Curation**

Selection of families, materials and finishes.

03 **Samples**

Tactile, colour and functional validation.

04 **Specification**

References, dimensions, customisation and terms.

05 **Coordination**

Ordering, production, control and logistics.

06 **Continuity**

Replenishment, collection extension and follow-up.

Better representation. Better specification.

FOR MANUFACTURERS

- 01 Structured access to specifiers and projects
- 02 Collection positioning and commercial support
